EDITORIAL CALENDAR THEMES

The themes for each issue coincide with our CMBA Sections. If you are a member of the Section, you will receive a "Call for Articles" notice when it is time to submit article topic ideas. If you are not a Section member and you are interested in writing about a specific month's theme, e-mail your proposed topic to Jackie Baraona at jbaraona@clemetrobar.org by the date listed below.

OFF-TOPIC FEATURES

Occasionally, we will accept "off-topic" articles that don't coincide with the overall theme. Feel free to send us your article ideas, and we will see if we can fit them in a future Journal.
